

Fostered Young Person's Comments

It is the responsibility of the supervising social worker to agree with the young person's social worker how the young person will be approached to complete this form. Wherever possible, it should be completed by the young person in their own words, but if they need support this should be provided by the person they are most comfortable with (but not the foster carer). Each fostered young person should complete a separate form.

Please note that this form will be shared with your foster carer(s). If you have relevant information that you think should not be shared with your foster carer(s) then please discuss this with your social worker.
